Important Priory Woods Cemetery Note:

The Priory Woods Cemetery is subject to a major re-development during the years 2020 / 2021. Some features and items listed in the fees and charges may change / become unavailable and/or replaced with a different memorial item. (Affected leaseholds will be fully consulted with).

During the works there will be periods where access is severely restricted / not possible to memorials or the immediate areas around memorials.

Building works will be carried out to the on-site visitor centre, so there are likely to be no on site toilet facilities whilst this element of the works are being carried out. Additionally, there will be workmen on site using plant and machinery. Every effort will be made to ensure the cemetery remains a respectful and tranquil place, however some disruption is unavoidable and the City Council is grateful for customers' understanding and co-operation during the works.
